That Tired Feeling

Is a dangerous condition directly due to depleted or impure blood. It should not be allowed to continue, as in its debility the system is especially liable to serious attacks of illness. Hood's Sarsaparilla is the remedy for such a condition, and also for that weakness which prevails at the change of season, climate or life.

Hood's PILLS are purely vegetable, carefully prepared from the best ingredients.

Yale's La Freckla

is Mme. Yale's infallible cure of Freckles, Tan and Sunburn. It is the only remedy ever compounded that will remove freckles completely and surely.

The fairer and more delicate the skin, the more likely it is to freckle and the worse it will look after it is freckled. Thousands of women, otherwise beautiful, are disfigured by these unsightly, brown blotches. Nothing will hide them. They are a source of misery, but they can be cured. La Freckla is the death-warrant to freckles.

The preparation of La Freckla is one of Mme. Yale's greatest achievements. There are many imitations, some of them very dangerous and hurtful to the skin; none of them really effective. For safety and certainty, insist always on getting the genuine and original La Freckla.

Stove

E.

No lottery, raffle or game of chance, but a straight business proposition. Every person who purchases one of our New Process Stoves between THURSDAY MORNING, JUNE 27, and ONE O'CLOCK WEDNESDAY, AUGUST 7, will be entitled to one guess as to how many of these stoves will be sold up to that time, it being then just five months since the first stove was purchased. The person guessing correctly, or coming nearest to the correct number, will receive at once a present in cash of the full amount paid for his stove; in case of two or more persons guessing the winning number, each shall make a further guess on the sales of the following week, one person thus finally receiving the prize. As the stoves will be sold at regular price, no one risks anything, only if you guess nearest to the right number your stove costs you nothing. The prize being simply an ad. for New Process Stoves. Seal your guess in an envelope and place your name and address on the inside, and some private mark on the outside. The envelopes will be carefully kept and no one but the guessers will know what is inside each until the date of opening. A correct list of stoves sold will be hung up before the opening of envelopes, which will be done at our store in the Waring Block, Fort and Beretania, at 1 p. m. on August 7, in the presence of stove purchasers and the public.
